Dear Ms. Voorhees,

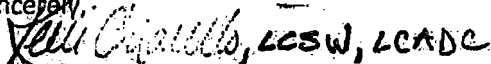

Ocean Mental Health Services has a New Name! Ocean Mental Health Services is now **Bright Harbor Healthcare**.

What began in 1959 as a single office with two dedicated counselors has grown exponentially. Today there are more than 425 passionate professionals, 10 locations throughout Ocean County, and residential services for more than 280 individuals in the community. Bright Harbor Healthcare continues to expand services well beyond its original offerings.

"Building a better tomorrow, one life at a time" remains the backbone of our mission. However, the services we provide have continually evolved to meet the ever-changing needs of the community. Bright Harbor Healthcare's current services include so much more than the organization's original name implies. Our focus going forward is on integrated care and treating the whole person in a way that is tailored, compassionate and brings about overall health and wellness.

Bright Harbor Healthcare looks forward to continuing to serve our community and building strong partnerships. Despite the transition to our new agency name, we have and will continue to honor the above YSC contracts in their original form and entirety. All invoices, billing, payments etc. should reflect Bright Harbor Health Care as of January 1, 2022 for all Youth Services Commission Contracts.

Thank you for supporting our name change imitative efforts. If you have questions, please feel free to reach out to myself or our Chief Financial Officer, Tom Trageser at ttrageser@brightharbor.org 732-269-4849 x661.

Sincerely,

Kelli Chiarello, LCSW, LCADC
