The Act limits eligibility to a maximum of twelve counties and delineates criteria for eligibility. *Deadline to apply for the 2026 program is December 6, 2024. Upon contract award, consultant shall be required to meet with the County designee and complete all necessary paperwork to meet this deadline.*

The purpose of the program is:

- (1) to increase financial resources through the Medicaid program to support local hospitals and to ensure that they continue to provide necessary services to low-income citizens; and
- (2) to provide participating counties with new fiscal resources.

Each participating county shall be authorized by the commissioner to impose a local health care-related fee on hospitals within its borders.

A participating county shall submit a proposed fee and expenditure report to the commissioner to ensure that the proposed fee and expenditure plan satisfies paragraph (1) of subsection b. of this section and subsection e. of this section, and does not create a direct or indirect guarantee to hold harmless, as those terms are used in 42 C.F.R. s.433.68(f). The commissioner shall further review the proposed fee and expenditure report to determine whether it complies with relevant rules and regulations. Each participating county shall consult with affected hospitals within its jurisdiction to prepare the proposed fee and expenditure report before the report is submitted to the commissioner.

The expenditure report means a written report by a participating county that describes how the fee will be imposed in the participating county; how the funds collected from the fee will be used by the participating county, including the amount and services the participating county plans to provide with the funds; and how the plan satisfies the requirements of this program as set forth in The Act.

The commissioner shall make the proposed fee and expenditure report available to the affected hospitals for review and the hospitals shall be permitted to provide comments to the commissioner regarding the report for a period of 21 calendar days from the date the proposed report is made available for review.

The County is seeking proposals for a consultant agency to work directly with Ocean County in the possible implementation of the NJ County Option Hospital Fee Program. Consultant shall work with hospitals and eligible medical facilities to collect and analyze data, review County options for proposed fee and Medicaid payments, plans for proposed fund expenditure, and the preparation of final proposal including fee and expenditure report due to the State by early December 2024.

Consultant Responsibilities prior to Program Participation:

- Expected to have proficient knowledge and understanding of the requirements set forth by P.L.2022, c.61./A4091 and N.J.A.C. 10:52B.
- Educate County officials and staff on program operations.

- Support State in obtaining federal approval
- Act as a liaison between the State and County and between County and medical facilities
- Prepare assessment invoices, notices, and any additional associated paperwork.

The CONTRACTOR and the COUNTY do hereby agree that the provisions of title II of the Americans with Disabilities Act of 1990 (the "Act") (42 U.S.C. 12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereunto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the COUNTY pursuant to this contract, the CONTRACTOR agrees that the performance shall be in strict compliance with the Act. In the event that the CONTRACTOR, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the CONTRACTOR shall defend the COUNTY in any action or administrative proceeding commenced pursuant to this Act. The CONTRACTOR shall indemnify, protect and save harmless the COUNTY, its agents, servants and employees from and against any and all suits, claims, losses, demands, or damages of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The CONTRACTOR shall, at its own expense, appear, defend and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the COUNTY'S grievance procedure, the CONTRACTOR agrees to abide by any decision of the COUNTY which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the COUNTY or if the COUNTY incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the CONTRACTOR shall satisfy and discharge the same at its own expense.

The COUNTY shall, as soon as practicable after a claim has been made against it, give written notice thereof to the CONTRACTOR along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the COUNTY or any of its agents, servants and employees, the COUNTY shall expeditiously forward or have forwarded to the CONTRACTOR every demand, complaint, notice, summons, pleading, or other process received by the COUNTY or its representatives.

It is expressly agreed and understood that any approval by the COUNTY of the services provided by the CONTRACTOR pursuant to this contract will not relieve the CONTRACTOR of the obligation to comply with the Act and to defend, indemnify, protect and save harmless the COUNTY pursuant to this paragraph.

It is further agreed and understood that the COUNTY assumes no obligation to indemnify or save harmless the CONTRACTOR, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the CONTRACTOR expressly understands and agrees that the provision of this indemnification clause shall in no way limit the CONTRACTOR'S obligations assumed in this Agreement, nor shall they be construed to relieve the CONTRACTOR from any liability, nor preclude the COUNTY from taking any other actions available to it under any other provisions of this Agreement or otherwise at law.
