*Ocean County*  
*Youth Services Commission*  
Department of Juvenile Services

**Applicant Instructions**  
**Proposal for Funding**

Please submit the original and eight (8) copies of this proposal to the Youth Services Commission as directed in the front of this proposal form. All proposals must be submitted by the deadline indicated in the request for competitive contract (RFCC) letter. Proposals received after this deadline will not be considered for funding. Each proposal received by the deadline is considered to be in its final form. Technical Assistance is available only at the scheduled workshop time (stated in the RFCC letter).

Each applicant being considered for funding will be given the opportunity to make a ten minute presentation to the Ocean County Youth Services Commission Proposal Review Committee. This time may be used to present information about your agency, about the proposal submitted and to answer any questions the committee may have regarding your submission.

The funding recommendations of the Proposal Review Committee are reported to the Youth Services Commission (YSC) at the next scheduled meeting. The funding recommendations of the YSC are presented to the Ocean County Board of Chosen Freeholders for final approval.

Agencies submitting proposals not selected for funding will be notified regarding the Appeals Process. Agencies submitting proposals selected for funding will be contacted regarding contracting procedures.

All service contracts will include the pertinent information presented in the proposal. All contracts are monitored annually by the Youth Services Commission Monitoring Committee. Funding is provided for the contract period based upon submission of required reports, positive monitoring, and approval of each year's contract by the YSC and Freeholder Board; and the availability of funding.

If the RFCC letter indicated that proposals are being requested from non-profit agencies to provide a service, the agency must be registered as exempt under Section 501(c)(3) of U.S. IRS Code of 1954 by the proposal submission date. The agency's Federal Employer's Identification Number must be presented on the proposal form. Agencies must have non-profit status and a Federal Identification Number at the time of proposal submission in order to be considered for funding when the RFCC letter specifies non-profit agencies.
