BID

***HOUSEHOLD HAZARDOUS WASTE AND DEPARTMENT WASTE
DISPOSAL***

2023

***ADVERTISEMENT DATE: October 4, 2023
OPENING: October 24, 2023, 11:00 am***

Bid Category: 24- Safety and Protection Equipment and Related Services

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that sealed bids for the furnishing and delivery of **HOUSEHOLD HAZARDOUS WASTE AND DEPARTMENT WASTE DISPOSAL** for the County of Ocean, will be received by the Purchasing Agent of the County of Ocean on **Tuesday, October 24, 2023 at 11:00 am**, prevailing time.

Bids will be received electronically via the County's Online Procurement Portal. Specifications are available on the Procurement Portal or for viewing only, in the Department of Purchase, Room #224, Administration Building, 101 Hooper Avenue, Toms River, New Jersey. Direct all inquiries to Jennifer L. Bowens, Purchasing Agent.

Bidders are required to comply with the requirements of N.J.S.A. 10:5-31 et seq. and P.L. 1975 C. 127 (N.J.A.C. 17:27-1 et seq.) regarding equal employment opportunities and with the requirements of P.L. 1977 C.33 regarding corporate and/or partnership ownership.

The right to reject any and all bids is reserved in accordance with applicable law.

By order of the Board of Commissioners of the County of Ocean.

Signed:

JOSEPH H. VICARI, Director

JENNIFER L. BOWENS, Purchasing Agent

IMPORTANT INSTRUCTIONS FOR ELECTRONIC SUBMITTAL

Instructions for Electronic Bid Submission

The County is accepting electronic bid submissions with Open Gov by following these instructions:

Sign up for a FREE account at <https://procurement.opengov.com/portal/oceancounty>

Once you have completed account registration, browse back to this page: [County's OpenGov Electronic Bid Portal \(https://procurement.opengov.com/portal/oceancounty/\)](https://procurement.opengov.com/portal/oceancounty/)

Click on the bid of interest, then click "Draft Response".

Follow the instructions to submit the electronic bid.

It is important to note that this process should be completed well in advance of the bid deadline / bid opening. DO NOT WAIT UNTIL THE LAST MINUTE. The County's electronic submission system will not allow electronic bids to be submitted once the deadline has passed, even if you've already started the process. The deadline is based on the countdown timer found on the OpenGov bid submission page.

INSTRUCTIONS TO BIDDERS

Bid Opening

All bids will be opened publicly in the Administration Building, Room 119, 101 Hooper Avenue, Toms River, New Jersey, commencing at 11:00 am, prevailing time on Tuesday, October 24, 2023.

Electronic Bid Submissions

Bids must be submitted electronically through Ocean County's Procurement Portal by the date and time stipulated in the Notice to Bidders.

Deadline Instructions

The County will not be responsible for late bids, and no bids will be accepted if received after the time stipulated in the notice to bidders.

Completion of all Documents

Bidders shall complete all documents and acknowledge all terms included with the bid package. All documents should be from this bid package and must not be dated or executed prior to the date of advertising. Failure to follow these instructions is cause for rejection.

NOTE: In order to access any DocuSign forms in this solicitation, you must first click "Draft Response".

Instructions on how to access the forms through DocuSign are available in the Attachments. Please note that in order to view the forms as a .pdf document, you must access DocuSign first. Once you access DocuSign, the option to download, save, print and complete the forms becomes available

Right to Reject

The County reserves the right to reject all bids in accordance with N.J.S.A. 40A:11-13.2, to waive any informalities in the bid and to accept the lowest responsible bid in accordance with applicable law.

Bidder Default

In case of default by the bidder or contractor, the County of Ocean may procure the articles or services from other sources and hold the bidder or contractor responsible for any excess cost occasioned thereby.

Indemnity

The bidder, if awarded a contract, agrees to protect, defend and save harmless the County against any damage for payment for the use of any patented material process, article or device that may enter into the manufacture, construction or form a part of the work covered by either order or contract, and he further agrees to indemnify and save harmless the County from suits or actions of every nature and description brought against it, for, or on account of injuries or damages received or sustained by any party or parties by, or from any of the negligent acts of the contractor, his servants or agents.

Specifications

It is to be understood by the bidder that this bid is submitted on the basis of specifications prepared by the County and the fact that any bidder is not familiar with these specifications or conditions will not be accepted as an excuse.

Bid Security

NO BID SECURITY

Performance Bond

NO PERFORMANCE BOND

Pricing Proposal

Bidders must use the pricing proposal provided in the bid specifications. Failure to use the pricing proposal in the bid specifications shall be cause for rejection of the bid.

Pricing

Insert prices for furnishing all of the material and/or labor described or required. Prices shall be net, including any charges for packing, crating, containers, etc. and all transportation charges fully prepaid by the contractor F.O.B. destination and placement at locations specified by the County. No additional charges will be allowed for any transportation costs resulting from partial shipments made at the vendor's convenience when a single shipment is ordered.

Payment

Payments will be made upon the approval of vouchers submitted by the successful bidders in accordance with the requirements of the Board of Commissioners and subject to the Board of Commissioners customary procedures. The County will not pay interest or late fees regardless of language provided.

Discrepancy in Pricing

In the event that there is a discrepancy between the unit prices and the extended totals, the unit prices shall prevail. In the event there is an error of the summation of the extended totals, the computation by the OWNER of the extended totals shall govern.

Award Timeframe

Award will be made by Ocean County Board of Commissioners within sixty (60) days after receipt of bids.

Equal or Tie Bids

The County of Ocean reserves the right to award at their discretion to any one of the tie bidders where it is most advantageous for the County to do so, pursuant to N.J.S.A. 40A:11-6.1.

Tax Exempt

The County of Ocean is exempt from any State sales tax or Federal excise tax.

Equivalent Product

For purpose of evaluation where an equivalent product is being furnished, bidder must indicate any variation to our specifications no matter how slight. If no variations are indicated, it will be construed that the bid fully complies with our specifications.

Quantities

The quantities shown on the pricing proposal are **estimates only**, and Ocean County will not guarantee any minimum purchase. The County reserves the right to decrease or omit quantities as needed over the course of the contract. The county will not consider any minimum requirements imposed on order quantities. The County also reserves the right to increase quantities to twenty (20) percent of the maximum quantities listed at the unit price bid, in accordance with N.J.A.C. 5:30-11.3. *Note: Actual orders are placed upon receipt of a Purchase Order, on an as needed basis. The County will not be responsible to pay for any product that was not ordered through a Purchase Order.*

Delivery of Goods and Services

Delivery of items shall only be made upon receipt of a Purchase Order issued by the Ocean County Department of Purchase, upon which delivery locations and needed quantities shall be indicated.

American Goods and Products

All contractors must comply with the provisions of New Jersey Statute Title 40A:11-18, when applicable.

Assignment

This agreement shall not be assigned without the written consent of the County of Ocean.

NJ One Call

By presenting a bid, contractor declares that he is aware of and, if required, will comply with the requirements of the "Underground Facility Protection Act (Public Law 1994, Chapter 118)" prior to commencing any intended excavation. The telephone number to call is 1-800-272-1000.

Public Works Contractor Registration Act, N.J.S.A. 34:11-56.48 et seq

The bidder must comply with the provisions of "The Public Works Contractor Registration Act", if applicable.

- All named contractors must be registered with the Department of Labor and Workforce Development pursuant to the Public Works Contractor Registration Act at the time the proposal is received, or the proposal will be determined to be non-responsive.
- Any non-listed contractor must be registered with the Department of Labor and Workforce Development prior to physically starting work. It is the responsibility of the General Contractor to insure that all non-listed sub-contractors comply.
- Contractors are encouraged to submit their and all named sub-contractors' Public Works Contractor Registration Certificates with the bid.

Prevailing Wage & Labor Laws

The New Jersey Prevailing Wage Act (P.L. 1963, Chapter 150) and provisions of the State Labor Laws must be complied with by the successful bidder, if applicable. The current Prevailing Wage Rates can be found online at <https://www.nj.gov/labor/wageandhour/prevailing-rates/public-works/currentprevailingwage.shtml>

New Jersey Business Registration Requirements

Pursuant to N.J.S.A. 52:32-44, Ocean County (“Contracting Agency”) is prohibited from entering into a contract with an entity unless the bidder/proposer/contractor, and each subcontractor that is required by law to be named in a bid/proposal/contract has a valid Business Registration Certificate on file with the Division of Revenue and Enterprise Services within the Department of the Treasury.

Prior to contract award or authorization, the contractor shall provide the Contracting Agency with its proof of business registration and that of any named subcontractor(s).

Subcontractors named in a bid or other proposal shall provide proof of business registration to the bidder, who in turn, shall provide it to the Contracting Agency prior to the time a contract, purchase order, or other contracting document is awarded or authorized.

During the course of contract performance:

(1) the contractor shall not enter into a contract with a subcontractor unless the subcontractor first provides the contractor with a valid proof of business registration.

(2) the contractor shall maintain and submit to the Contracting Agency a list of subcontractors and their addresses that may be updated from time to time.

(3) the contractor and any subcontractor providing goods or performing services under the contract, and each of their affiliates, shall collect and remit to the Director of the Division of Taxation in the Department of the Treasury, the use tax due pursuant to the Sales and Use Tax Act, (N.J.S.A. 54:32B-1 et seq.) on all sales of tangible personal property delivered into the State. Any questions in this regard can be directed to the Division of Taxation at (609)292-6400. Form NJ-REG can be filed online at <http://www.state.nj.us/treasury/revenue/busregcert.shtml>.

Before final payment is made under the contract, the contractor shall submit to the Contracting Agency a complete and accurate list of all subcontractors used and their addresses.

Pursuant to N.J.S.A. 54:49-4.1, a business organization that fails to provide a copy of a business registration as required, or that provides false business registration information, shall be liable for a penalty of \$25 for each day of violation, not to exceed \$50,000, for each proof of business registration not properly provided under a contract with a contracting agency.

Pay to Play Requirements

Starting in January 2007, all business entities are advised of their responsibility to file an annual disclosure statement of political contributions with the New Jersey Election Law Enforcement Commission (ELEC) pursuant to N.J.S.A. 19:44A-20.27 if they receive contracts in excess of \$50,000 from public entities in a calendar year. Business entities are responsible for determining if filing is necessary. Additional information on this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

Statement of Ownership

The provisions of N.J.S.A. 52:25-24.2 applies to all forms of corporations and partnerships, including, but not limited to, limited partnerships, limited liability corporations, limited liability partnerships, and Subchapter S corporations.

Certification of Non-Involvement in Prohibited Activities in Iran

Certification of Non-Involvement in Prohibited Activities in Iran. Pursuant to N.J.S.A. 52:32-58, the proposer must certify that neither the proposer, nor one of its parents, subsidiaries, and/or affiliates (as defined in N.J.S.A. 52:32-56(e)(3)), is listed on the Department of the Treasury's List of Persons or Entities Engaging in Prohibited Investment Activities in Iran and that neither is involved in any of the investment activities set forth in N.J.S.A. 52:32-56(f). If the proposer is unable to so certify, the proposer shall provide a detailed and precise description of such activities. Prior to contract award or authorization, the contractor shall provide the Contracting Agency with a completed Certification on Non-Involvement in Prohibited Activities in Iran.

Certification of Non-Involvement In Prohibited Activities in Russia or Belarus

Pursuant to N.J.S.A. 52:32-60.1, the “person or entity” (as defined in N.J.S.A. 52:32-60.1, et seq) seeking to enter into or renew a contract for the provision of goods or services or the purchase of bonds or other obligations shall certify that it is not “engaging in prohibited activities in Russia or Belarus” (as such term is defined in as defined in N.J.S.A. 52:32-60.1, et seq. If the person or entity is unable to certify, the person or entity shall provide a detailed and precise description of such activities. The N.J.S.A. 52:32-60.1 certification form must be completed prior to contract award and is provided in the specification documents (DocuSign).

Vendors may view the Precluded Entities List Here:

<https://www.nj.gov/treasury/administration/pdf/RussiaBelarusEntityList.pdf>

Insurance Requirements

The contractor shall maintain primary insurance to protect against all claims under Workmen's Compensation, Comprehensive General Liability and Automobile. Except for Workmen’s Compensation, all coverage shall apply as primary coverage with respect to any other insurance or self-insurance program afforded to the County. There shall be no endorsement or modification of this coverage to make it excess over other available insurance/coverage; alternatively, if the CGL and umbrella, excess of reinsurance states that it is pro rata, it shall be endorsed to be primary with respect to the County. Primary Coverage shall be subject to approval for adequacy of protection as per the following limits:

Worker's Compensation

1. Limits according to Worker's compensation Laws of the State of New Jersey.
2. Contractor's Liability not less than \$100,000.

Comprehensive General Liability

1. Bodily Injury - \$500,000 per person; \$1,000,000 per occurrence.
2. Property Damage - \$1,000,000 per occurrence.

Comprehensive General Liability Details

Comprehensive Automobile Liability shall include the following:

Business auto liability insurance or its equivalent with a minimum limit of \$1,000,000 per accident and including coverage for all of the following:

- A. Liability arising out of the ownership, maintenance or use of any auto;
- B. Auto non-ownership and hired car coverage.
- C. Contractor's Worker's Compensation, Comprehensive General Liability and
- D. Comprehensive Automobile Liability arising out of subcontractor's operations shall be identical as that listed above.

Proof of Insurance

Copies of each insurance certificate shall be furnished to the County when requested.

County Cooperative Contract Purchasing System

The County has established a "COUNTY COOPERATIVE CONTRACT PURCHASING SYSTEM" pursuant to N.J.S.A. 40a:11-1 et seq...

The IDENTIFIER for this system is:

CK-02-OC

This system allows local government contracting entities located within the geographical boundaries of the County to purchase goods and services awarded as a result of this bid proposal if it is extended by the low bidder.

Goods and services must be made available without substitution or deviation from specifications, size, features, quality, price or availability as herein set forth. It is understood that orders, if any, will be placed directly by contracting units, subject to the overall terms of the contract to be awarded by the County of Ocean.

The estimated quantities listed in this specification reflect only the needs of the agencies under the direct control of the Ocean County Board of Commissioners. If the vendor chooses to extend the resulting contract to all other contracting units, the quantities could be higher.

Please check (✓) the YES or NO box in the Vendor Questionnaire to indicate whether or not you will extend contract prices to all contracting units.

AWARD METHOD

Contract will be awarded on a line item basis, except for Sections I and II, which will be awarded on a lump sum basis.

USEPA Hazardous Waste ID and NJDEP Hauling Permit

Prior to award of the contract the contractor shall certify and provide the County evidence of the following:

1. A valid U.S.E.P.A. Identification Number for the transportation of hazardous waste.

2. A valid license from the New Jersey State Department of Environmental Protection to collect and transport hazardous waste.

Registered Vehicle List

Prior to award of the contract the contractor shall certify and provide the County evidence of the following:
Properly registered vehicles to be used by the contractor to transport hazardous waste from the site.

OSHA Training

All employees working on household hazardous waste days must complete forty (40) hours of OSHA training. A copy of the certification of each of the employees must accompany the bid or be provided prior to award and a daily log of employees staffing each HHW day will be maintained for each event during the contract year.

This is only required if bidding on Section I or Section II.

Technical Approach

The bidder shall submit a site specific technical approach with the bid including:

1. types and sizes of equipment
2. proposed methods of handling and loading

Technical approach shall be required before contract award.

This item is required ONLY if bidding on Sections I or IV.

Health and Safety Plan (HASP)

A detailed Health and Safety Plan (HASP) shall be submitted with the bid proposal. If not submitted with bid, it shall be required prior to contract award. This document shall include basic procedures for on-site personnel, to minimize their personal injury, illness and the potential for environmental impairment associated with the contract. This document should be site specific.

A detailed Health and Safety Plan must be submitted to minimize personal injury and environmental impairment.

1. a list of personal protective equipment
2. designation of a Health and Safety Officer
3. preparation of Accident Reports if they occur

This is only required if bidding on Sections I or IV.

Spill Prevention Contingency Plan (SPCP)

The bidder shall submit a Spill Prevention and Contingency Plan (SPCP) with the bid, or prior to award, that shows how he will be prepared at all times during the course of work on site, to prevent, control and clean up spilled substances.

This is only required if bidding on Section I or IV.

Safety Equipment List

Bidders must list the safety equipment they intend to use or have available on site with the bid, or prior to award. The safety equipment list should include, but not be limited to, the following:

Full-Face - Air Purifying Canister Equipped Respirator (MSHA1/NIOSH approved)

Disposable Canisters for Respirators

Decontamination Equipment

Chemical-Resistant Clothing (overalls and long-sleeved jacket; coveralls, hooded, one or two piece chemical-splash suit, disposable chemical resistant coveralls)

Disposable Latex Surgical and PCB Resistant Rubber (E.g. Neoprene, chlorpel) Gloves

Disposable Boots - Chemical Resistant

Boots - Chemical Resistant, Steel Toe Shank

Hard Hats (Face Shield)

Rain Gear

Emergency Eye Wash (Shower)

Acid Resistant Suits

Drum Warning Labels

Safety Goggles

Emergency Oxygen

Fire Extinguishers

First Aid Equipment

Aid Base Solution Kits

Amyl Nitrate (for Cyanide poisoning)

Telephone and/or 2 Way Radio Communications (Intrinsically Safe)

The safety equipment shall meet level criteria protection where applicable.

This is only required if bidding on Sections I or IV.

MANDATORY EQUAL EMPLOYMENT OPPORTUNITY

N.J.S.A. 10:5-31 et seq. (P.L. 1975, C. 127)

N.J.A.C. 17:27

GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union of the contractor's commitments under this chapter and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to meet targeted county employment goals established in accordance with N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the targeted employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual

orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:

- Letter of Federal Affirmative Action Plan Approval
- Certificate of Employee Information Report
- Employee Information Report Form AA302 (electronically provided by the Division and distributed to the public agency through the Division's website at www.state.nj.us/treasury/contract_compliance)

The contractor and its subcontractors shall furnish such reports or other documents to the Division of Purchase & Property, CCAU, EEO Monitoring Program as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Purchase & Property, CCAU, EEO Monitoring Program for conducting a compliance investigation pursuant to **Subchapter 10 of the Administrative Code at N.J.A.C. 17:27.**

AMERICANS WITH DISABILITIES ACT

Equal Opportunity For Individuals With Disabilities

The CONTRACTOR and the COUNTY do hereby agree that the provisions of title II of the Americans with Disabilities Act of 1990 (the "Act") (42 U.S.C. 12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the COUNTY pursuant to this contract, the CONTRACTOR agrees that the performance shall be in strict compliance with the Act. In the event that the CONTRACTOR, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the CONTRACTOR shall defend the COUNTY in any action or administrative proceeding commenced pursuant to this Act. The CONTRACTOR shall indemnify, protect and save harmless the COUNTY, its agents, servants and employees from and against any and all suits, claims, losses, demands, or damages of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The CONTRACTOR shall, at its own expense, appear, defend and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the COUNTY'S grievance procedure, the CONTRACTOR agrees to abide by any decision of the COUNTY which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the COUNTY or if the COUNTY incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the CONTRACTOR shall satisfy and discharge the same at its own expense.

The COUNTY shall, as soon as practicable after a claim has been made against it, give written notice thereof to the CONTRACTOR along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the COUNTY or any of its agents, servants and employees, the COUNTY shall expeditiously forward or have forwarded to the CONTRACTOR every demand, complaint, notice, summons, pleading, or other process received by the COUNTY or its representatives.

It is expressly agreed and understood that any approval by the COUNTY of the services provided by the CONTRACTOR pursuant to this contract will not relieve the CONTRACTOR of the obligation to comply with the Act and to defend, indemnify, protect and save harmless the COUNTY pursuant to this paragraph.

It is further agreed and understood that the COUNTY assumes no obligation to indemnify or save harmless the CONTRACTOR, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the CONTRACTOR expressly understands and agrees that the provision of this indemnification clause shall in no way limit the CONTRACTOR'S obligations assumed in this Agreement, nor shall they be construed to relieve the CONTRACTOR from any liability, nor preclude the COUNTY from taking any other actions available to it under any other provisions of this Agreement or otherwise at law.

INTENT

CONTRACT TERMS

The contract shall be from January 1, 2024 through December 31, 2024, or until delivery is complete unless otherwise stated. The County reserves the right to extend the term of the contract pursuant to N.J.S.A. 40A:11-15.

INTENT

The purpose of this bid package is to provide the County of Ocean with a Contractor who will supply the materials described and specified herein.

NO ASSIGNMENT

This agreement shall not be assigned without the written consent of the County of Ocean which consent shall not be unreasonably withheld. Assignee shall promptly prepare and complete such documents as the County shall require.

OWNERSHIP DISCLOSURE

All contractors shall comply with all laws governing the disclosure of all stockholders or partners, as included in N.J.S.A. 52:25-24.2.

BID REVIEW

Bids may be reviewed at the bid opening and results will be made available online through the County's procurement portal once the bid meeting has concluded. Additionally, bid results are available in the Ocean County Purchasing Department on the day following the bid openings for any interested party that may wish to review them.

AVAILABILITY OF FUNDS

The County's obligation hereunder is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the County for payment of any money shall arise unless, and until funds are made available each year to the Ocean County Purchasing Agent.

MODIFICATIONS AND WITHDRAWALS

Bids may be withdrawn from the bidder prior to the time fixed for opening. No right for withdrawal exists after the bid has been opened. Written request for withdrawal shall be signed by the bidder or proper corporate officers.

TRANSITIONAL PERIOD

In the event services are terminated by contract expiration or by voluntary termination by either the Contractor or the County of Ocean, the Contractor shall continue all terms and conditions of said contract for a period not to exceed one (1) month at the County's request.

AWARD OF BID

The award of the contract will be to the bidder quoting the lowest rate per item. Secondary contracts will be solicited, if necessary, from other bidders at the low bidder's rate. If the primary contractor is unable to complete the work in a timely manner, the County reserves the right to solicit secondary contracts until work requirements are met.

INSURANCE

A copy of insurance Certificates for Workers' Compensation, Comprehensive General Liability, and Comprehensive General Liability must be provided prior to award of any contract.

CURRENT BID RESULTS

If there is a current contract in place for this bid, those results may be obtained by accessing our procurement portal at the below link:

Once you have clicked the link, click "Advanced Search" to begin searching for the current opportunity.

SPECIFICATIONS AND SCOPE OF WORK

SCOPE OF WORK

See "Attachments", "Project Documents" for detailed specifications.

PRICING PROPOSAL

SECTION I - HOUSEHOLD HAZARDOUS WASTE

Line Item	Description	Quantity	Unit of Measure	Unit Cost	Total Cost	No Bid	Comments
1	Household Hazardous Waste Event - Per Pound	250,000	LB				
2	Contaminated Waste Oil with PCB Solvents, Per Gallon (This Item Shall ONLY be utilized to cover costs of any contaminated Waste Oil found during Household Hazardous Waste Events)	1,000	GAL				
TOTAL							

SECTION II

Line Item	Description	Quantity	Unit of Measure	Unit Cost	Total Cost	No Bid	Comments
3	Parks Department Hazardous Waste, One-Time, Lump Sum Collection Cost. See Details in Scope of Work for breakdown of items and quantities	1	LS				

SECTIONS III - VIII

Line Item	Description	Unit of Measure	Unit Cost	No Bid	Comments
SECTION III - DISPOSAL OF FLUORESCENT BULBS - ALL DEPARTMENTS					
4	CFL Fluorescent Bulbs - per each	EA			
5	Circular Fluorescent Bulbs - per foot	FT			
6	Electronic Ballasts - per pound	LB			
7	Fluorescent Bulbs - per foot	FT			
8	High Pressure Sodium Bulbs - per each	EA			
9	LED Bulbs - per each	EA			
10	U-Shaped Fluorescent Bulbs - per foot	FT			
SECTION IV- DISPOSAL OF COUNTY DEPARTMENT WASTE - Vehicle Services					
11	Used Oil Filters - per 55 gallon drum, with drum exchange	DRUM			
12	Crushed Oil Filters - per 55 gallon drum, with drum exchange	DRUM			
13	Used Antifreeze - per 55 gallon drum	DRUM			
14	Unused Waste Gasoline - per gallon	GAL			

Line Item	Description	Unit of Measure	Unit Cost	No Bid	Comments
15	Propane tank with valve, Size: 20-40 lbs - per each	EA			
16	Propane tanks with valves, Size: 80-100lbs - per each	EA			
Solid Waste Management					
17	Municipal Household Hazardous Waste Materials - per pound	LB			
18	Button Batteries - per pound	LB			
19	Aerosols - per 55 gallon drum - with drum exchange	DRUM			
Engineering					
20	Latex Waste Water - per 250 gallon tote	TOTE			
21	Pallets of Thermo Plastic white/yellow (approx 2,000 lbs) - lump sum	LS			
22	Latex Waste Paint - per 250 gallon tote	TOTE			
23	Empty Latex Paint Tote - per 250 gallon tote	TOTE			
24	Solar Panels - Per Square Foot (approx. 100 sq. ft.)	SQ. FT.			
25	Oran-gel – per 55 gallon drum	DRUM			
Buildings & Grounds					
26	Waste Paint - per 55 gallon drum	DRUM			
27	Waste Rags - per 55 gallon drum	DRUM			
SECTION V - CONTAMINATED SOIL (Quantities Uncertain)					
28	Hazardous (pick up by contractor) - per ton	TON			
29	Non-Hazardous (delivered by County) - per ton	TON			
30	Non-Hazardous (pick up by contractor) - per ton	TON			
SECTION VI - WASTE WATER					
31	Removal of Waste Water - per gallon	GAL			
SECTION VII - NEW 55 GALLON METAL DRUMS					
32	New 55 Gallon Drums - per drum	DRUM			
SECTION VIII - EMERGENCY RESPONSE					
33	Total of all line items in Schedule (a) price list, located in the Vendor Questionnaire (#15).	LS			

Responsible Bidder Questionnaire

1. Has the bidder ever received a violation or signed a consent order for the improper storage of solid waste (household hazardous waste) in a manner that may have impaired the quality of the environment or created other hazards to public health, safety or well-being at a site it has owned or operated?

Yes No

If yes, attach a copy of the violation, including any signed consent orders immediately following this questionnaire.

2. Has the bidder ever received a violation or consent order where the company actions were described as "willful public endangerment"

Yes No

If yes, includes a copy of the violation and any consent orders immediately following this questionnaire.

3. Has the bidder ever received a violation or consent order for a history of non-compliance with progressive severity over time, wherein the governing agency limited, or disallowed, the company from accepting household hazardous waste.

Yes No

If yes, attach a copy of the violation, or signed consent order immediately following this questionnaire.

4. Has the bidder ever received a violation or signed a consent order for improper management of solid waste (household hazardous waste) in a manner that resulted in spillage at a site it has owned or operated?

Yes No

If yes, attach a copy of the violation, or signed a consent order immediately following this questionnaire.

5. Has the bidder ever received a violation or signed a consent order for improper management of solid waste (household hazardous waste) in a manner that resulted in a fire, explosion, or release at a site it owned or operated?

Yes No

If yes, attach a copy of the violation, or signed a consent order immediately following this questionnaire.

6. Has the bidder ever received a violation or signed a consent order for storing drums of solid waste (household hazardous waste) in a manner that allowed spillage at a site it owned or operated?

Yes No

If yes, attach a copy of the violation, or signed a consent order immediately following this questionnaire.

7. Has the bidder ever received a violation or signed a consent order for improper disposal of solid waste (household hazardous waste) that resulted in the release of household hazardous waste at a site that it owned or operated?
- Yes No
- If yes, attach a copy of the violation, or signed a consent order immediately following this questionnaire.
8. Has the bidder ever received a violation or signed a consent order for damaged equipment that caused a release of solid waste (household hazardous waste) at a site that it owned or operated?
- Yes No
- If yes, attach a copy of the violation, or signed a consent order immediately following this questionnaire.
9. Has the bidder ever received a violation or signed a consent order for improper storage of solid waste (household hazardous waste) in an area outside of its permitted storage area at a site that it owned or operated?
- Yes No
- If yes, attach a copy of the violation, or signed a consent order immediately following this questionnaire.
10. Has the bidder ever received a violation or signed a consent order for the release of solid waste (household hazardous waste) to the environment on a one-day household hazardous waste collection event it managed?
- Yes No
- If yes, attach a copy of the violation, or signed a consent order immediately following this questionnaire.
11. Has the bidder had a fire, explosion or reaction on a household hazardous waste collection event that resulted in the response of city, state or federal emergency response personnel?
- Yes No
- If yes, attach a description of the event with the amounts and types of household hazardous waste involved. Include a copy of any emergency response reports, violations, and/or consent orders received by any government agencies as a result of such events.
12. Has the bidder ever received a violation, complaint, or signed a consent order for failing to ensure that a collection site was returned to its original condition upon completion of a collection event that it managed?
- Yes No
- If yes, attach a copy of the violation, or signed a consent order immediately following this questionnaire.
13. Has the bidder ever received a violation, complaint, or signed a consent order for failing to ensure that all collected waste received on a one-day collection site that it managed was sent to an off-site facility permitted to manage household hazardous waste?
- Yes No
- If yes, attach a copy of the violation, or signed a consent order immediately following this questionnaire.

14. Has the bidder ever received a violation, or consent order for failing to cover roll offs containing solid waste (household hazardous waste) on a one-day collection site that it managed to prevent the accumulation of precipitation, or the release of household hazardous waste to the environment?

Yes No

If yes, attach a copy of the violation, or signed a consent order immediately following this questionnaire.

15. Has the bidder ever received a violation, or signed a consent order for operations on a one-day collection site that it managed that created a condition, which reasonably could be expected to create a source of pollution to the environment?

Yes No

If yes, attach a copy of the violation, or signed a consent order immediately following this questionnaire.

16. Has the bidder ever caused a Contracting Entity to be subject to litigation, fines and/or liability resultant directly or indirectly from any of the bidder's contracted activities involving household hazardous waste collection, transport, disposal, or recycling?

Yes No

If yes, attach a copy and description of the violation, litigation, fines and/or liability immediately following this questionnaire.

17. Has the bidder ever been required by a consent order to cleanup contamination resulting from the release of household hazardous waste from a one-day collection event that it managed?

Yes No

If yes, was the bidder permitted by the governing agency to clean-up the contamination caused by the one-day collection?

Yes No

If no, was the bidder required to retain a qualified company to oversee the cleanup of contamination caused by the bidder on the one-day collection event that it managed?

Yes No

If yes, was the bidder required through a consent order to provide documents detailing the consultant's oversight of the cleanup actions?

Yes No

If yes, attach a copy of any consultant's cleanup reports immediately following this questionnaire, as well as a copy of the most recent correspondence from the governing agency that is monitoring the cleanup operations.

18. Has the bidder ever agreed to perform any Supplemental Environmental Projects in lieu of paying civil penalties where the projects were accepted as partial settlement for enforcement actions from a government agency

Yes **No**

If yes, attach a description of the project, indicating penalty amounts avoided and supplemental penalties paid to meet the balance of the total penalty.

The bidder, at their discretion, may choose to attach a written narrative or explanation regarding any "yes" answers indicated above.

SECTION I – HOUSEHOLD HAZARDOUS WASTE EVENTS

Item #1

Beginning with this contract, the County is planning to have six (6) hazardous waste events in 2024, dependent upon State funding and other factors.

Each event will consist of the contractor accepting household hazardous waste (HHW) for a period of six (6) hours. Participants for each event will be pre-registered and assigned hour-long windows in which to drop off their waste. These windows will be limited to one hundred (100) vehicles per hour or six hundred (600) per event. The program is for residential households and farmers only. No commercial vehicles or companies shall be allowed to use these events.

Because of the mobile nature of the program, the vendor must have the ability to conduct the program as required. The vendor will set up, unload and accept, collect, transport and dispose of the HHW delivered during each event and all the activities of an event shall occur the same day. The vendor will also collect and dispose of all plastic packs, plastic buckets and containers delivered to an event. The Ocean County Landfill, which is privately owned, typically will not accept paint cans or plastic buckets. The vendor is responsible for recycling all corrugated boxes.

Scheduled events are conducted rain or shine. Events are typically scheduled on Saturdays, Sundays *may be* included at the discretion of the County. The County also reserves the right to reduce or increase the number of events at its discretion. Locations and dates of the events are to be determined.

Vendor should make every effort to service all vehicles that arrive within event timeframe, including those remaining on line at the end of the six (6) hour window. No vehicles will be allowed to join the line after the event’s conclusion.

**COLLECTION AND DISPOSAL OF OCEAN
COUNTY HOUSEHOLD HAZARDOUS WASTE**

2022 Event Totals

Lakewood Twp. 44,442 lbs.
Stafford Twp. 29,579 lbs.
Manchester Twp. 40,375 lbs.
Lacey Twp. 33,561 lbs.
Toms River Twp. 41,979 lbs.
Long Beach Twp. 32,472 lbs.

GRAND TOTAL: 222,388 lbs.

VEHICLES TOTAL: 2,193

2023 Event Totals (Spring Only)

Lakewood Twp. 51,879 lbs.
Stafford Twp. 52,878 lbs.
Manchester Twp. 33,647 lbs.

SPRING TOTAL: 138,404 lbs.

SPRING VEHICLES TOTAL: 1,351

SECTION I – HOUSEHOLD HAZARDOUS WASTE EVENTS (CONT'D)

Item #1 (Cont'd)

SCOPE OF SERVICES

- A. The contractor shall meet with representatives of the County to tour the collection sites no later than two (2) weeks prior to the first scheduled collection date. The County will provide pre-registration information prior to each scheduled event and the contractor shall provide certification of liability insurance.
- B. The contractor shall review the pre-registration list. In the past, every available appointment has been filled.
- C. All set up work shall be completed one (1) hour prior to start up on the date of the scheduled program. The contractor must be off site and finished with all site work within three (3) hours after accepting the last vehicle.
- D. The contractor will provide all the required and necessary equipment to conduct the Household Hazardous Waste Disposal Program.
- E. Provisions must be made by the contractor to have all scales certifiable either by substitution or by mechanical correction. The contractor shall utilize only scales which are tested, approved and registered by the New Jersey Office of Weights and Measures. For additional information, contact the NJ Office of Weights and Measures at (732) 815-4840.
- F. Contractor shall be responsible for disposal of all non-hazardous debris resulting from the collection day activities including the recycling of empty paint cans from the consolidation of paints and all plastic pails, containers and buckets. At a minimum, at least one (1) 30 cubic yard roll-off container must be provided by the contractor for paint cans and another container for the plastic waste.
- G. The contractor shall provide for consolidation of all paints received at the collection site and the oil based paints must be either recycled or used as a fuel. Latex paint may be landfilled.
- H. On each day of the Collection Program, the contractor shall have at least two (2) employees, who are trained in the identification and proper packaging of all hazardous waste defined by applicable federal and state statutes and regulations, present to oversee the collection. Additional employees, materials and equipment that are necessary to properly collect, handle, containerize, label, manifest, load and transport such wastes from the Collection Site in a manner conforming to all applicable federal and state statutes and regulations will be at the discretion of the contractor once the registration list is reviewed. The contractor must provide, at a minimum, ten (10) experienced employees who may aid in the collection and disposal of materials at each event.
- I. The contractor shall provide with the bid submission or prior to award evidence of the following:
 - 1. A valid USEPA Identification Number for the transportation of hazardous waste.
 - 2. A valid license from the New Jersey State Department of Environmental Protection to collect and transport hazardous waste.
 - 3. Properly registered vehicles to be used by the contractor to transport hazardous waste.
- J. During setup and after certification of the scales, all empty collection containers, including lids and any liners utilized, shall have their weight determined. After each container is filled with the hazardous waste material, the container, packaging absorbent and waste shall be weighed and the weight recorded. A tare weight shall be determined for each filled container for billing purposes. A municipal or county representative shall be present at all times of weighing and recording.

SECTION I – HOUSEHOLD HAZARDOUS WASTE EVENTS (CONT'D)

Item #1 (Cont'd)

SCOPE OF SERVICES

- K. For roll-off containers utilized at an event, a proper scale ticket with tare and net weight must be provided to the County with final invoice in order to receive payment.
- L. The contractor shall utilize dry vermiculite for absorbent packing material in all container/drums requiring packing material. The contractor may utilize alternative packing materials provided they can demonstrate to the satisfaction of the County that such material has a density equal to or less than that of dry vermiculite.
- M. Any unacceptable waste, as defined by the contractor in their technical proposal, which is delivered to the site shall be returned to the generator. Disposal of waste from a generator which is later deemed unacceptable by the contractor is the responsibility of the contractor.
- N. The County shall assume all responsibility for advertising; however this will not preclude the contractor from publicizing the event at their own expense. The County must approve all advertising proposed by the Contractor.
- O. Title to all waste accepted at the Collection Site by the contractor shall pass from the participants to the contractor at the time of such acceptance. In no event will material be returned to the County after being accepted by the contractor.
- P. Contractor shall provide the County with certification from the ultimate disposal facility utilized that all wastes were received and disposed of in compliance with all existing federal, state and local laws, regulations and ordinances. The County shall only issue payment for wastes with certification of proper disposal; for wastes without certification, payment will be withheld until certification is received and approved by the County. The contractor shall provide a listing of all ultimate disposal facilities to be utilized, including USEPA Identification Number, before the first scheduled day. All waste materials must be disposed of in compliance with RCRA requirements applicable to the waste code that would apply to the waste materials if they were generated by a fully regulated Large Quantity Generator of Hazardous Waste. In no event shall these materials be transferred from a licensed hazardous waste facility to a non-hazardous waste facility for treatment, storage or disposal. Any contract or subcontract for the (transportation or) disposal of these materials must specify such handling. All wastes must be disposed of within the United States of America or Canada.
- Q. The contractor warrants they understand the currently known hazards and suspected hazards which are presented to persons, property and the environment by the collection, transport, treatment and disposal of hazardous wastes. The contractor further warrants they will perform all services under this agreement in a safe, efficient and lawful manner using industry accepted practices and in full compliance with all acceptable state and federal laws and regulations.
- R. The contractor shall indemnify, hold harmless and defend the County, its officers, officials, employees and representatives from and against any and all liabilities, claims, penalties, fines, forfeitures, suits and the costs and expenses incident thereto (including costs of defense, settlement and reasonable attorney's fees) which it may hereafter incur, become responsible for, or pay out as a result of death or bodily injury to any person, destruction or damage to any property, contamination of or adverse effects on the environment or any violation or alleged violation of governmental laws, regulation or orders caused by, arising out of, or in any manner connected with the waste, after risk of loss thereto has been passed to the contractor as provided in paragraph "O" above and due to any negligent act or omission of any employee or agent of, or from failure or inadequacy of any equipment of the contractor or any subcontractor hired by the contractor or by anyone directly or indirectly employed by them.

SECTION I – HOUSEHOLD HAZARDOUS WASTE EVENTS (CONT'D)

Item #1 (Cont'd)

SCOPE OF SERVICES

- S. The contractor is and shall perform this agreement as an independent contractor and as such, shall have and maintain complete control over all of its employees and operations. The contractor shall be in compliance with all OSHA standards or regulations. Neither the contractor nor anyone employed by it shall be, represent, act, purport to act, or be deemed to be the agent, representative, employee or servant of the County.
- T. Any waiver by either party of any provision or condition of this agreement shall not be construed or decreed to be a waiver of any other provision or condition of this agreement, nor a waiver of a subsequent breach of the same provision or condition, unless such waiver be expressed in writing by the party to be bound.
- U. No modification of this agreement shall be binding on the contractor or the County, unless stated in writing and signed by both parties.
- V. This agreement shall be interpreted in accordance with the laws of the State of New Jersey.
- W. The contractor shall be responsible for securing all applicable federal, state and local permits and to fully comply with same. The contractor is responsible for verifying they are properly licensed to accept and dispose of hazardous waste.
- X. All hazardous waste materials must be on a NJDEP Manifest and all hazardous waste materials must be represented by their appropriate USEPA codes. All non-hazardous waste must be on a bill of lading.
- Y. All hazardous waste materials collected must have final disposal at a hazardous waste facility. (Subtitle C)
- Z. Postconsumer Paint and Other Architectural Coatings

Product Stewardship Law Implementation

If the State of New Jersey enacts and implements a paint product stewardship law requiring paint manufacturers to create, finance and manage an environmentally sound, cost-effective paint stewardship program, including strategies and plans to collect, transport and process postconsumer paint for end-of-life management through reuse, recycling, energy recovery or disposal during the term of the PROGRAM and any extensions thereof, CONTRACTOR shall work in conjunction with such paint stewardship program to accept, collect, transport and process any and all postconsumer paint, stain (both latex and oil-based) and other architectural coatings covered by the product stewardship law without cost to the County of Ocean.

OSHA TRAINING

All employees working on household hazardous waste days must complete forty (40) hours of OSHA training. A copy of the certification of each of the employees must accompany the bid or be provided prior to award and a daily log of employees staffing each HHW day will be maintained for each event during the contract year.

SECTION I – HOUSEHOLD HAZARDOUS WASTE EVENTS (CONT'D)

Item #1 (Cont'd)

TECHNICAL PROPOSAL

A. Detailed Site Specific Technical Approach

The bidder shall submit with the bid or prior to award a Detailed Site Specific Technical Approach. This plan should outline the flow of work and the approach the bidder will take in fulfilling the requirements of the collection project, this plan shall include, at a minimum, the following elements:

1. Types, sizes, capabilities and amounts of equipment to be used. The contractor must empty Household Hazardous Waste from vehicle into wheeled carts.
2. Laboratory chemical reagents waste sorting and packaging techniques to be utilized. Specify the size and type containers to be used for various waste classifications and the final disposal technique.
3. Proposed methods for handling, staging and loading drums.
4. Description of proposed site layout designed to assure the safe and orderly exchange of waste from participation to the contractors.
5. Proposed methods for loading and securing trucks.

B. Health and Safety Plan (HASP)

A detailed Health and Safety Plan (HASP) shall be submitted with the bid proposal. If not submitted with bid, it shall be required prior to contract award. This document shall include basic procedures for on-site personnel, to minimize their personal injury, illness and the potential for environmental impairment associated with the contract. This document should be site specific. The Health and Safety Plan (HASP) shall include the following minimum elements:

1. A listing of personal protective equipment, respiratory protection and any required certification documentation. The equipment should be listed on separate sheets.
2. A listing of safety equipment to be used, such as: fire extinguishers, portable eye wash stations, air monitoring equipment, etc.
3. Personal hygiene requirements.
4. Training Program including training protocol.
5. Designation of a Health and Safety Officer and/or an Industrial Hygienist and their duties.
6. Preparation of Accident Reports when injuries occur.

C. Spill Prevention and Contingency Plan (SPCP)

The bidder shall submit a Spill Prevention and Contingency Plan (SPCP) with the bid, or prior to award, that shows how he will be prepared at all times during the course of work on site, to prevent, control and clean up spilled substances.

D. Safety Equipment

Bidders must list the safety equipment they intend to use or have available on site with the bid, or prior to award. The safety equipment list should include, but not be limited to, the following:

- Full-Face - Air Purifying Canister Equipped Respirator (MSHA1/NIOSH approved)
- Disposable Canisters for Respirators
- Decontamination Equipment

SECTION I – HOUSEHOLD HAZARDOUS WASTE EVENTS (CONT'D)

Item #1 (Cont'd)

TECHNICAL PROPOSAL

D. Safety Equipment (Cont'd)

- Chemical-Resistant Clothing (overalls and long-sleeved jacket; coveralls, hooded, one or two piece chemical- splash suit, disposable chemical resistant coveralls)
- Disposable Latex Surgical and PCB Resistant Rubber (E.g. Neoprene, chloroprene) Gloves
- Disposable Boots - Chemical Resistant
- Boots - Chemical Resistant, Steel Toe Shank
- Hard Hats (Face Shield)
- Rain Gear
- Emergency Eye Wash (Shower)
- Acid Resistant Suits
- Drum Warning Labels
- Safety Goggles
- Emergency Oxygen
- Fire Extinguishers
- First Aid Equipment
- Aid Base Solution Kits
- Amyl Nitrate (for Cyanide poisoning)
- Telephone and/or 2 Way Radio Communications (Intrinsically Safe)

The safety equipment shall meet level criteria protection where applicable.

E. Site Preparation

The contractor shall perform delivery of all Materials. The contractor shall deliver and stage sufficient materials to handle the maximum volume of waste anticipated by the County. This shall include, but is not limited to safety equipment, drums, sorbent materials, labels, transportation equipment and other related materials.

F. Work Plan

The contractor shall prepare a site specific Work Plan that outlines in detail their intent from the beginning of the Site Preparation to the cleanup and final shipment of waste material. The Plan will initially be based on the following bid submission items: Site Specific Detailed Technical Approach, the Health and Safety Plan (HASP), the Spill Preventive and Contingency Plan (SPCP), the list of equipment to be utilized, a Site Preparation Plan and a schedule. Vendors submitting a different work plan will not be considered eligible to be awarded a bid. These plans shall be adjusted to include items and revision discussed at the Post Award conference.

The site preparation plan shall include detailed provisions for the following separate areas:

1. Receiving Area - Must include the use of wheeled carts to handle HHW from vehicles. The contractor must provide a minimum of six (6) wheeled carts.
2. Collection Area

SECTION I – HOUSEHOLD HAZARDOUS WASTE EVENTS (CONT'D)

Item #1 (Cont'd)

TECHNICAL PROPOSAL

F. Work Plan (Cont'd)

3. Pre-sorting (Segregation) Area
4. Packaging, Staging and Loading Area - The collection, pre-sorting and packaging/staging/loading areas are to be restricted to the public. The contractor shall provide an impermeable ground-covering barrier (tarp, sheet plastic, etc.) to protect these areas.
5. The contractor shall have available a 20 x 30 foot tent capable of protecting the collection, presorting, pouring, packaging and staging areas during periods of rain. The tent shall be put up one (1) hour prior to the first car being accepted if the forecast is for rain.

Sufficient safety, spill control and absorbent materials will be available in all areas.

The Work Plan shall be submitted with the bid or prior to award. All the activity related to a Household Hazardous Waste event must be completed in one (1) day including site setup.

G. Organization, Support and Experience

Contractor shall supply with bid:

- Location of bidder's headquarters and local office.
- A chart of the bidder's organization showing key project staff members and their level of responsibility with the organization
- A chart of the project organization with names.
- A list of key personnel to be assigned and their function on the project.
- A list of all bidder's equipment intended for use on the project including, but not limited to, safety/life support equipment, material-handling equipment, SPCP equipment, HASP equipment and all other technical equipment.
- Documentation including a brief narrative which clearly shows the bidder's experience as a prime contractor in performing similar projects.
- Subcontracting is allowable for purposes of this bid. Any intent to subcontract on the part of the bidder must be specifically described in the bid proposal. The County reserves the right to disapprove the use of any subcontractor. If subcontracting is planned, the bidder must submit the information on the proposed subcontractor. The prime contractor is responsible for assuring subcontractor compliance with all terms and conditions of this bid. Nothing contained in the specifications shall be construed as creating any contractual relationship between any subcontractor and the County.
- Upon signing the contract, the contractor will provide the County with copies of all applicable permits for handling disposal of hazardous waste.

OCEAN COUNTY HOUSEHOLD HAZARDOUS WASTE PROGRAM

Item #2 – Contaminated Waste Oil

Contaminated Waste Oil with PCB Solvents, Per Gallon (This Item shall ONLY be utilized to cover costs of any contaminated waste oil found during Household Hazardous Waste Events)

SECTION II – OCEAN COUNTY PARKS DEPARTMENT DISPOSAL

Item #3

The following is a list of Hazardous Materials currently being housed at both County golf courses. The contractor will be required to enter a lump sum price for picking up these items.

Coordination of the pickup shall be made by contacting the Assistant Director of the Parks Department, Mary Jane Bavais, at 732-506-9090

ESTIMATED Hazardous Materials Removal List

ATLANTIS GOLF COURSE – LITTLE EGG HARBOR, NJ

<u>Qty</u>	<u>Description</u>
1 Gal	Liquid Foaming Agent
2 Gal	TriCure Surfactant
105 lbs.	TriCal Calcium 35-SP
5 Gal	Regulas 0-0-6 Potash
2.5 Gal	Concorde Fungicide. Chlorothalonil
5 Gal	Clarke ULV Flushing Solution

Approximately 235 lbs. of material.

FORGE POND GOLF COURSE – BRICK, NJ

<u>Qty</u>	<u>Description</u>
2.5 Gal	Trimec Bentgrass Fungicide
1 Gal	Foam Marking Agent
2.5 Gal	Unknown Marking Agent

Approximately 65 lbs. of material.

SECTION III – FLUORESCENT BULBS

Items #'s 4 - 10

The County recycles fluorescent bulbs from county buildings and accepts CFL's, fluorescent bulbs, and LED's from residents at Northern and Southern recycling centers. The vendor shall provide supervision, sufficient labor, equipment and materials to test (if required), package, load, transport and recycle the fluorescent bulbs to State of New Jersey and USEPA approved facilities. The vendor shall provide packaging for the storage and transportation of the lamps.

The Solid Waste Management Department will coordinate the removal of all bulbs from both Northern and Southern Recycling and the Buildings and Grounds Department will coordinate the program and collect the bulbs from County buildings.

The vendor shall provide the County with appropriate storage containers for all bulbs.

SECTION IV- COUNTY DEPARTMENT WASTE

The collection, transportation and disposal of the County Departments waste is described as follows:

Item #'s 11-16 – Vehicle Services

- Used Oil Filters – per 55 gallon drum, with drum exchange
- Crushed Oil Filters – per 55 gallon drum, with drum exchange
- Used Antifreeze - per 55 gallon drum
- Unused Waste Gasoline-per gallon
- Propane tanks with valve, Size: 20 lbs. – 40 lbs.
- Propane tanks with valve, Size: 80 lbs. – 100 lbs.

Location: 152 Chestnut Street, Bldg. 32, Toms River

Contact: Gloria Corrigan (732) 929-4746

Item #'s 17 - 19 – Solid Waste Management

- Household Hazardous Waste – Materials left at County recycling facilities. The County generally requires service every six (6) months, quantities vary- price per pound.
- Button Batteries from County Recycling Centers- price per pound.
- Aerosols – per 55 gallon drum, with drum exchange

Location: 601 New Hampshire Ave., Bldg. 68, Lakewood & 379 Haywood Rd., Bldg. 105, Manahawkin

Contact: Melissa Davis (732) 367-0802

Item #'s 20 - 25 – Engineering

- Latex Waste Water - per 250 gallon tote
- Pallets of Thermo Plastic White/Yellow (approx. 2,000 lbs.) - lump sum
- Waste Latex Paint - per 250 gallon tote
- Empty Latex Paint Tote – per 250 gallon tote
- Solar Panels- per square foot
- Oran-Gel - 20 GL drum NO SUBSTITUTIONS

Location: 141 Mapletree Road, Toms River

Contact: Michael Piserchia (732) 349-8165

Item #'s 26 - 27 – Buildings and Grounds

- Waste Paint-per 55 gallon drum
- Waste Rags (typically stains, oils, furniture polish)-per 55 gallon drum

Contact: Joseph Meyers (732) 929-2039

SECTION IV- COUNTY DEPARTMENT WASTE (CONT'D)

SCOPE OF SERVICES

- A. Prior to submitting a bid all potential contractors are encouraged to visit the site to examine the materials and the location for each department as determined in these specifications.
- B. Prior to award of the contract the contractor shall certify and provide the County evidence of the following:
 - 1. A valid U.S.E.P.A. Identification Number for the transportation of hazardous waste.
 - 2. A valid license from the New Jersey State Department of Environmental Protection to collect and transport hazardous waste.
 - 3. Properly registered vehicles to be used by the contractor to transport hazardous waste from the site.
- C. Title to all waste at the project site shall pass to the contractor upon acceptance by the contractor. In no event will materials be returned to the County after being accepted by the contractor.
- D. Contractor shall provide the County with certification from the ultimate disposal facility utilized that all wastes were received and disposed of in compliance with all existing federal, state and local laws, regulations and ordinances. The contractor shall provide a listing of all ultimate disposal facilities to be utilized, including USEPA Identification Number, before the first scheduled day of work.
- E. The contractor warrants that he understands the currently known hazards and suspected hazards which are presented to persons, property and the environment by the collection, transport, treatment and disposal of hazardous wastes. The contractor further warrants, that he will perform all services under this agreement in a safe, efficient and lawful manner using industry accepted practices and in full compliance with all acceptable state and federal laws and regulations.
- F. The contractor shall indemnify, hold harmless and defend the County, its officers, officials, employees and representatives from and against any and all liabilities, claims, penalties, fines, forfeitures, suits and the costs and expenses incident thereto (including costs of defense, settlement and reasonable attorney's fees) which it may hereafter incur, become responsible for, or pay out as a result of death or bodily injury to any person, destruction or damage to any property, contamination of or adverse effects on the environment or any violation or alleged violation of governmental laws, regulation or orders caused by, arising out of, or in any manner connected with the waste, after risk of loss thereto has been passed to the contractor as provided in paragraph "C" above and due to any negligent act or omission of any employee or agent of, or from failure to inadequacy of any equipment of the contractor or of any subcontractor hired by the contractor or by anyone directly or indirectly employed by them.
- G. Any waiver by either party or any provision or condition of this agreement shall not be construed or decreed to be a waiver of any other provision or condition of this agreement, nor a waiver of a subsequent breach of the same provision or condition, unless such waiver to be expressed in writing by the party to be bound.
- H. No modification of this agreement shall be binding on the contractor or the County, unless stated in writing and signed by both parties.
- I. This agreement shall be interpreted in accordance with the laws of the State of New Jersey.

SECTION IV- COUNTY DEPARTMENT WASTE (CONT'D)

SCOPE OF SERVICES (CONT'D)

- J. The contractor shall be responsible for securing all applicable federal, state and local permits and to fully comply with same. The contractor is responsible for selecting the disposal sites and verifying they are properly licensed to accept and dispose of hazardous waste.
- K. The contractor must be able to begin working on this proposal within thirty (30) days of receiving a purchase order from the County.

TECHNICAL PROPOSAL

A. Technical Approach

The bidder shall submit a site-specific technical approach including:

1. Types and sizes of equipment.
2. Proposed methods of handling and loading Approval Shall be required prior to contract award.

B. Health and Safety Plan

A detailed Health and Safety Plan must be submitted to minimize personal injury and environmental impairment.

1. List of personal protective equipment.
2. Designation of a Health and Safety Officer.
3. Preparation of Accident Reports if they occur.

C. Spill Prevention and Contingency Plan

The bidder shall submit a Spill Prevention and Contingency Plan that shows how he will be prepared at all times during the course of work on site, to prevent, control and clean up spilled substances.

ORGANIZATION, SUPPORT AND EXPERIENCE

- A. Location of bidder's headquarters and local office.
- B. A chart of the bidder's organization showing key project staff members and their level of responsibility with the organization.
- C. A chart of the project organization with names.
- D. A list of key personnel to be assigned and their function on the project.
- E. A list of all bidder's equipment intended for use on the project including, but not limited to, safety/life support equipment, materials handling equipment, SPCP equipment, HASP equipment and all other technical equipment.
- F. Documentation including a brief narrative that clearly shows the bidder's experience as a prime contractor in performing similar projects.

SECTION IV- COUNTY DEPARTMENT WASTE (CONT'D)

ORGANIZATION, SUPPORT AND EXPERIENCE (CONT'D)

- G. Subcontracting is allowable for purposes of this bid. Any intent to subcontract on the part of the bidder must be specifically described in the bid proposal. The County reserves the right to disapprove the use of any subcontractor. If sub-contracting is planned, the bidder must submit the information on the proposed subcontractor. The prime contractor is responsible for assuring subcontractor compliance with all terms and conditions of this bid. Nothing contained in the specifications shall be construed as creating any contractual relationship between any subcontractor and the County.
- H. Upon signing the contract the contractor will provide the County with copies of all applicable permits for handling, transportation and disposal of hazardous waste.

SECTION V - OIL CONTAMINATED SOIL (Quantities Uncertain)

Item #28 - *Classified as Hazardous - Price per ton – Picked up by Contractor*

Item #29 - *Classified as Non-Hazardous Price per ton - Delivered by County*

Item #30 - *Classified as Non-Hazardous- Price per ton – Picked up by Contractor*

Vendor must be available to pick up material within ninety (90) days of phone contact.

The oil-contaminated soil will be handled by purchase orders issued from the department identified as follows:

1. Road Department*
2. Buildings & Grounds
3. Parks and Recreation
4. Solid Waste Management
5. Vehicle Services
6. Transportation Services Department

The purchase orders will be issued on an as needed basis. The contractor will submit certified weight receipts with these invoices.

* During the year, this material could be stored at any of the eight (8) garages: Jackson, Lacey, Lakewood, Manchester, Manahawkin, Plumsted, Ship Bottom or Toms River.

SECTION VI – WASTE WATER

Item #31

Pump out and disposal of waste water and biodegradable detergent generated from Parking Garage Deck cleaning, from a six hundred and eighty (680) gallon waste water tank #UST E-121 located in the north rear corner (asphalt parking area) of the County Administration Building at 101 Hooper Avenue (Block #653, Lot #2). This tank which was installed on 1/6/98 is a fiberglass coated double steel wall tank with fiberglass reinforced plastic piping.

Pump-out is anticipated to be approximately bi-monthly from mid-April to mid-October. The Buildings & Grounds Department will schedule pump-out as needed. Provide price per gallon.

SECTION VII – NEW 55 GALLON METAL DRUMS

Item #32

Various County Departments are in need of new 55 gallon metal drums. The Contractor shall deliver the drums upon receipt of order.

SECTION VIII - EMERGENCY RESPONSE

Item #33

The County provides an Emergency Response Program so that we can be more responsive to emergency situations involving hazardous waste. The contractor will be required to be available on a 24-hour basis and must respond within a three (3) hour time frame if required.

The Emergency Response Program will be available to the following County Departments:

- Buildings & Grounds
- Engineering Department
- Parks and Recreation
- Department Road
- Department
- Sheriff's Department - Emergency Management
- Solid Waste Management
- Vehicle Services

The departments' needs vary substantially.

SCOPE OF SERVICES

- A. The contractor shall be available to meet the representatives of the various County departments after the contract is awarded to review how the program will work. The meeting will be organized by Sean McLaughlin of the Solid Waste Management Department.
- B. The Contractor shall provide with the bid submission or prior to award evidence of the following:
 1. A valid USEPA identification number for the transportation of hazardous waste.
 2. A valid license from the New Jersey Department of Environmental Protection to collect and transport hazardous waste.
 3. Properly registered vehicles to be used by the contractor to transport hazardous waste.
- C. Title to all waste shall pass to the contractor at the time of acceptance. In no event shall hazardous material be returned to the County.
- D. The contractor shall provide the County with certification from the ultimate disposal facility utilized, that all wastes were received and disposed of in compliance with all existing federal, state and local laws, regulations and ordinances. All waste must be disposed of at facilities which are approved for same by the USEPA and/or appropriate state agency. In addition, all waste must be disposed of within the United States of America.
- E. The contractor warrants that he understands the currently known hazards and suspected hazards which are presented to persons, property and the environment by the collection, transport, treatment and disposal of hazardous wastes. The contractor further warrants that he will perform all services under this agreement in a safe, efficient and lawful manner, using industry-accepted practices and in full compliance with all acceptable state and federal laws and regulations.

SECTION VIII - EMERGENCY RESPONSE (CONT'D)

Item #33 (Cont'd)

SCOPE OF SERVICES (CONT'D)

- F. The contractor shall indemnify, hold harmless and defend the County, its officers, officials, employees and representatives from and against any and all liabilities, claims, penalties, fines, forfeitures, suits and the costs and expenses incident thereto (including costs of defense, settlement and reasonable attorney fees) which it may hereafter incur, become responsible for, or pay out as a result of death or bodily injury to any person, destruction or damage to any property, contamination of or adverse effects on the environment or any violation or alleged violation of governmental laws, regulation or orders caused by, arising out of, or in any manner connected with the waste, after risk of loss thereto has been passed to the contractor as provided in paragraph “C” above and due to any negligent act or omission of any employee or agent of, or from failure or inadequacy of any equipment of the contractor or of any subcontract hired by the contractor or by anyone directly or indirectly employed by them.
- G. The contractor is and shall perform this agreement as an independent contractor and as such, shall have and maintain complete control over all of its employees and operations. The contractor shall be in compliance with all OSHA standards or regulations. Neither the contractor nor anyone employed by it shall be, represent, act, and purport to act, or be deemed to be the agent, representative, employee or servant of the County. All employees working on the Emergency Response Program must complete forty (40) hours of OSHA training. A copy of the certification and re-certification for each of the employees must accompany the bid or be provided prior to award.
- H. Any waiver by either party of any provision or condition of this agreement shall not be construed or decreed to be a waiver of any other provision or condition of this agreement, nor a waiver of a subsequent breach of the same provision or condition, unless such waiver be expressed in writing by the party to be bound.
- I. No modification of this agreement shall be binding on the contractor or the County, unless stated in writing and signed by both parties.
- J. This agreement shall be interpreted in accordance with the laws of the State of New Jersey.
- K. All hazardous materials must be on NJDEP manifests and all hazardous materials must be represented by their appropriate USEPA code.
- L. The contractor shall be responsible for securing all applicable federal, state and local permits and to fully comply with same. The contractor is responsible for verifying they are properly licensed to accept and dispose of hazardous waste.
- M. A comprehensive list of components of an emergency response program can be found in these specifications including: disposal; demurrage; manpower costs; materials; collection; transportation and disposal; equipment and analysis. In addition, there are line items for: explosives; water reactive materials; asbestos and compressed gas cylinders.

For the purpose of bidding, each unit will be counted as one (1) for a grand total of all line items. The lowest grand total will be awarded the bid. The bidder should tabulate their grand total for all lines and show it on line 10 of the price schedule. Each bidder must submit pricing for all the items listed in Schedule (a) on pages 34-40, or the bid will not be considered.

While the Emergency Response Program is being implemented, the successful bidder will respond to a request for service as quickly as possible and certainly within three (3) hours, if requested. If the contractor arrives on site later than three (3) hours after a request for service is made, the contractor shall pay a penalty of \$250.00 for each fifteen (15) minutes they are late.

SECTION VIII - EMERGENCY RESPONSE (CONT'D)

Item #33 (Cont'd)

SCOPE OF SERVICE (CONT'D)

The County department requesting the service will describe the nature of the emergency to the contractor. The contractor will provide the appropriate amount of manpower, equipment and materials to safely address the emergency. The contractor will bill the department making the request according to the bid submitted. In addition a copy of the bill shall be submitted to the Ocean County Department of Solid Waste Management so they can monitor the Emergency Response Program.

NOTES:

1. Labor is on-site only.
2. For the purpose of bidding, each unit will be counted as one (1) for a Lump Sum Bid Winner.
3. A primary and secondary disposal facility must be listed and permit information should be attached for each facility.
4. Miles for equipment is from office base to site and then return to the office base, not the disposal facility. Transportation to the disposal facility should be included in the Freight Charges per drum.

***NOTE: Item #33 - Schedule (a) is located in the Vendor Questionnaire.**

ANALYSIS		
The contractor will be responsible for the testing of unidentified waste in order to identify that material so that it can be disposed of in accordance with all State, Federal and Local Regulations. Certified test results shall be submitted. This will not include the cost of tests performed by TSD's and/or disposal facilities required by their operating permit. Analytical testing shall include, but is not limited to the following tests: TCLP Metals, TCL Volatiles, TCLP Semi-Volatiles, TCLP (pesticides/herbicides), Ignitability, Cyanide Reactivity, Sulfide Reactivity, Corrosivity, PCB's.
