Dear Michelle,

Enclosed herewith is a copy of a letter that was electronically sent by our Branch Managers to all of our customers concerning our name change from Franklin Griffith to Yale Electric Supply. We are receiving requests from customers stating they had not seen the letter and causing some confusion with our new letterhead on the invoices/quotes etc.

Our EIN number has not changed, as both companies are under the USESI family of companies, the only thing that has transpired is the name change, your sales team, credit and AP team are all the same.

If there is something we need to do additionally for your paperwork for the name change, please feel free to reach out to me and I will process whatever paperwork is needed to make this transition seamless.

Thank you,

Sue Adams
